

New Size Additions Available Now!

For those who want to try, for those who want to try again
 Get to know the lightness, strength, and rigidity of RAYS forged wheels.
 For those who know the benefits of lightweight and a durable wheel but believe forged is expensive...

We present a special **Burnt Silver** with **HIBOSSCAL PLATE** known as CE28N GENESIS with a **lowered retail price**.
 Import items see a price hike due to current economic situations.
 This is why we want you to choose the right item, while at the same time for you to experience RAYS forged wheels
 This is a **Overseas market limited item 500 sets only!** Don't miss out on this opportunity.
